We may receive it day by day, even in such a time as this." (June Release)

Now you can understand the New Testament as never before! Following on the heels of his best-selling *Part 1: The Gospels*, noted teacher and gospel scholar David J. Most importantly, readers will better understand the Savior's earthly mission and the power of the Atonement. (Also Available: *The New Testament Made Easier Part 1*)

RESPONDING TO TEENS TOUGH QUESTIONS

by Junius K. Merrill and Craig S. Smith

This informative book touches on subjects and responds to questions asked by many of the youth today. Why do I need Jesus Christ and His Atonement so much? Why do people care so much about the way I dress? Why do my parents care so much about my friends? Why is it such a big deal if I have a steady boyfriend or girlfriend? Does every young man have to serve a mission? Why do I have to tell my bishop, and what sins do I have to confess? Great for parents and teachers.
